Dear Mr. and Mrs. LaViola,

I would like to thank you for the generous scholarship you awarded me. I cannot explain how grateful I am to have been selected by your committee for the Michael LaViola Foundation Football Scholarship.

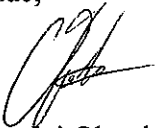

As I enter college in August, I will do my very best to show, on and off the field, that I am worthy recipient of the award. I have learned so much on the football field these years; including dealing with others, handling adversity, and putting in the effort it takes to succeed. The lessons I have taken from this game are as equally important to me as anything I will ever learn in the classroom.

To me, your scholarship opens doors that were once shut, and I must now seek these opportunities you have provided me. I have enclosed the acceptance letter you requested. My future school- St. Lawrence University also has a Class of 2014 roster on its site. The link is the following

<http://www.stlawu.edu/admis/2014.html>

Once again, thank you for the scholarship, and God Bless!

With humble gratitude,

Iyi Okunlola
