For the past four years the Michael LaViola Foundation has presented \$1,500 scholarships to deserving seniors of Northern Valley High School at [Old Tappan](#). Michael F. LaViola was a Golden Knights football player who died of pediatric sarcoma a couple of months before his 21st birthday. One award is a medical scholarship for a student who 'demonstrates a passion and ambition for life.' The other is for a football player who 'best exemplifies Michael's love of the game.' From left are Mike LaViola, Katie LaViola, Lauren Farley (medical scholarship recipient), Keith Rodman (football scholarship recipient) and Mary LaViola.
